

The Living Truth Fellowship

MAGNIFYING JESUS CHRIST, THE LIVING TRUTH

THE BENEFITS OF PLANNED GIVING

If you want to invest in the outreach of God's Truth via TLTF, gift planning allows you to align your future financial needs with your goal of investing in this unique ministry. Here are a few examples of how you can help us:

Bequests

Through your will you can give:

- A specific sum of money or property.
- A percentage of your total estate.
- All or a percentage of the remainder after all other bequests are satisfied.
- If you have already written your will, you can make a simple change, called a codicil, to add TLTF as a beneficiary.

Retirement Plans

You can name TLTF as a beneficiary of your qualified retirement plan to receive a designated amount of assets you want used for our work.
