MAGNIFYING JESUS CHRIST, THE LIVING TRUTH

TLTF ANNUAL REPORT FOR 2013

In 2013, our fourth year of operation, *The Living Truth Fellowship* continued to move forward toward fulfilling our Mission Statement, which is as follows:

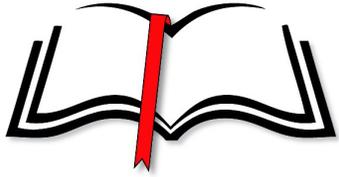

“To provide accurate biblical teaching so as to make known the Lord Jesus Christ, the Living Truth, and thus facilitate a worldwide community of mature Christians committed to following him by living the truth of God’s Word and sharing it with others.”

From January through September, the Board of Trustees—Franco Bottley, Paul Knopf, Larry Larimer, Robert Witt, and John Lynn—met monthly, and more often as necessary, with some TLTF Elders, who have a standing invitation to join us. In October we accepted Paul Knopf’s resignation as CEO and a Board member and thanked him for the fine job he did from our inception to help us get to where we are today. Larry Ramberg replaced Paul, and we added Jon Touchstone, one of our elders, as an Alternate Trustee. Primarily via computer conferencing, the Trustees continued to lay the necessary foundation for TLTF to expand our outreach around the world with God’s Truth. We held our annual face-to-face Board Meeting in December at our Gathering Together Weekend in Orlando in July.

Our annually reorganized Body of Elders functioned in their “eyes-and-ears” role as another level of input and accountability. For 2014 we will have 21 brethren comprising this “multitude of counselors.”

The highlight of 2013 came in March when we released our much-awaited video foundational class, *One Day With The Creator*. To date about 495 families have acquired it, and we’ve received nothing but rave reviews from both longtime supporters and people for whom the class is their first exposure to TLTF.

Our monthly FRUIT OF D’VINE publication is now being sent to more than 1700 households around the world, and each issue contains dynamic teachings along with pertinent ministry news. In 2013 we

continued to send a mid-month email update also.

The main vehicles for our outreach continued to be our website www.thelivingtruthfellowship.org, and our YouTube channel, www.YouTube.com/JustTruthIt. John Lynn continue to travel to as many locations as possible while still working his secular job in Indianapolis to earn income.

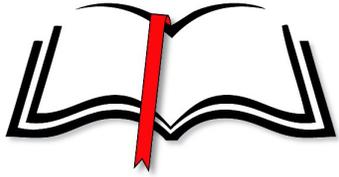

In 2013 we had more than 54,000 visitors on our website from the United States and other countries including Canada, United Kingdom, Philippines, India, Australia, Germany, Indonesia and South Africa.

We now have over 180 video teachings on our YouTube channel www.youtube.com/justtruthit (with more than 202,000 views), with podcasts available at no charge on iTunes. Our website and YouTube Channel have expanded to the degree that they are reaching many people around the world, from whom we have received extremely positive feedback, and in 2014 we will continue to add to the video, audio, and written teachings online.

In 2013 we continued to sell the books that John Lynn has co-authored: *One God & One Lord: Reconsidering the Cornerstone of the Christian Faith*; *Don't Blame God; Is There Death After Life?*, and *The Gift of Holy Spirit: The Power to Be Like Christ*. These are now available through Amazon, B&N, and iTunes as eBooks, and are also available on Amazon and B&N for purchase in hard copy, both soft and hard covers.

2013 also saw the continuation of our monthly "Worldwide Webinar Fellowship," featuring a live teaching by John Lynn. The WWF is very popular, and people really enjoy being connected live to one another. This past year we increased our online fellowships to four weekly and three monthly, adding a Women's Fellowship and a Research Fellowship to the regular WWF.

The highlight of 2013 came in March when we released our long-awaited 24-hour foundational class, *One Day With The Creator*. The feedback thus far has been superb. We believe this class will give the

world something historically unparalleled in both content and presentation. Our prayer is that it becomes a rallying point, a common ground, and a unique doctrinal means of identification for those who want biblical truth presented with love. In 2013 we sold 395 copies of ODWTC and gave away about 100.

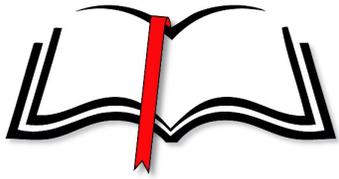

We added to our website *50 Good Questions and 50 Go(o)d Answers*. John Lynn wrote these articles and then filmed the corresponding videos. We will edit them and get them on the website in 2014.

In 2013 John Lynn appeared regularly as a guest on Rob Ekno's Christian talk radio show, *In Your Face*. Rob's producer said during that one of John's shows, the listening audience neared two million people.

In 2013 we were able to visit brethren in about 30 cities to share the Word with them. The Trustees will continue to travel as much as we can in 2014, both here in the USA and abroad, and minister the Word face to face with as many people as we can. We have a big open door in India, and we are praying for the time and resources to go there in late 2014. As God provides the resources, we want to get a ministry RV so that John and Elizabeth Lynn (and others) can travel much of the time and bless people with the Word.

We are very concerned about those who appreciate our work getting together for fellowship, growth, and outreach with likeminded brethren in their local areas, and we are doing what we can to facilitate such local fellowships. In particular, we expect *One Day With The Creator* to give TLTF affiliates a major boost in building local fellowships as they play it for groups of people. To date, about 30 USA fellowships in 15 states and nine overseas fellowships have affiliated with TLTF, and we pray that number will grow in 2014.

- Other goals and projects for 2014 and onward include:
- Finding a marketing guru to help us aggressively market ODWTC
- ODWTC subtitles for the hearing impaired and Spanish/Chinese
- Making a book from the transcript of ODWTC
- Edit *50 Good Questions and 50 G(o)d Answers* videos for the website
- Film a 12-15 hour version of *Jesus Christ, The Diameter of the Ages*
- Expand our Facebook presence

- More effort in marketing our YouTube videos
- Doing more Internet fellowships

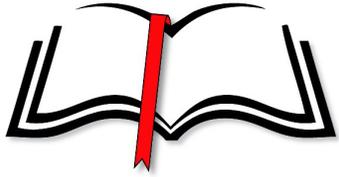

We also want to hire our part-time workers on a full-time basis if we have the money to do so. In particular, we want to provide John Lynn with a salary so he can sell his secular business and work full time ministering the Word. Additionally, we want to hire Bob Wassung as a full time researcher, writer, and teacher.

In 2013 Franco Bottley continued to work as Contract Labor on a full-time basis. Our part-time contract workers were Shawndra Higgins (Social Networking), Christine Knopf (Bookkeeping), Linda and Bob Maffit (Editing), and Ken Schleimer (Website Development). In addition, several diligent part-time volunteers also contributed greatly to the cause: Leah Cooper (Online Store), Bob Keck (FRUIT OF D'VINE), Jon Touchstone (YouTube management) and Christine Touchstone (Prayer Group Coordinator). In October Rosanne Martino replaced Christine Knopf as our Bookkeeper, and she is doing it as a volunteer.

We still have in mind the book on the administrations in Scripture, for which we already have about 200 pages of content. There is still a massive amount of work to be done on this landmark work, and Bob Wassung and John Lynn continue to move forward on it. Bob is also working on a book titled, *No More Sea*, about the cosmic war between God and Satan.

In 2013, 230 people/couples decided to invest in TLTF by way of giving financially to us. With the exception of our income from the sale of our videos, our e-Books, and sales from our Online Store, all our income came from contributions. The gifts we received in 2013 exceeded those in 2012 by approximately 20%. We are most thankful and humbled by the growth we realized in an uncertain economy.

We continued to help a handful of overseas ministers in Haiti, India, Kenya, and the Philippines who are extending our outreach by sharing our teaching materials with many in their respective countries.

As we look forward to 2014, we are extremely thankful to God and the Lord Jesus for counting us faithful and giving us the privilege of serving precious brethren like those who are taking advantage of what TLTF has to offer. Despite the gloomy condition of the world, we firmly believe that in this coming year our God will do a mighty work through this unique ministry. We pray that He bares His arm to help us bring His Truth to people around the world.

If you are not yet a contributor to TLTF, please consider becoming one in 2014. Our 2013 Financial Report is available to all contributors upon request.

Please let us know if there are other things we can do to bless and enrich your life. If you would like to help or volunteer in some way, please email volunteer@tltf.org and give us a brief summation of your skills so we can keep you in mind as the work of the ministry grows.
